Enroll in your California State University (CSU) 403(b) Supplemental Retirement Plan (SRP) account with Fidelity Investments.

**ENROLL IN 3 EASY STEPS!**

**STEP 1: Enroll with Fidelity Investments.**

If you are logging on for the first time, you will need to establish a username and password. If you already have a Fidelity.com or NetBenefits® account, you may log in using your existing username and password.

2. Click **Enroll** in the middle of your screen.
3. Enter your SSN and confirm plan 50537 is selected.

4. **Create a Username.** Your username can be your Social Security number; however, to better protect your account, we strongly recommend that you create a unique username. Once you create a username, you cannot revert to your Social Security number.

5. **Create a Password.** Your password protects your account from unauthorized users. A strong password is one that is between 15 and 20 characters, has a mix of case sensitivity, numbers, letters, and special characters. Your password should not be personally identifiable information, such as your Social Security number, telephone number, or date of birth.

6. **Create a Security Question.** If you ever forget your password, you can reset it after Fidelity verifies your identity using your new or updated security question and answer.

7. **New User Registration Confirmation.** If you have other accounts you access via Fidelity.com, NetBenefits®, or eWorkplace®, your new log in information applies to these accounts, as well as to accessing your account by phone.

8. **Enroll in Plan:** Make decisions about contribution amounts and investments.
Please make sure to assign beneficiaries to your CSU 403(b) SRP account. Once you have named a beneficiary, be sure to review your choices regularly and update them after certain life events, such as marriage, divorce, the birth of a child, or a death in the family.

1. Log on to your account through www.netbenefits.com/calstate.
2. From the home page, click on Profile, then Beneficiaries in the Summary section.

3. You will see sections for Primary Beneficiaries and Contingent Beneficiaries. A Primary Beneficiary is your first choice to receive the value of your retirement account. A contingent beneficiary is your second choice to receive the value of your retirement account if the primary beneficiary(ies) is (are) not living at the time of your death. To add one or more of either type of beneficiary, click on the “Add a Primary Beneficiary” or “Add a Contingent Beneficiary” buttons.
4. Indicate whether you are married or not by clicking on the “Edit” button in the Martial Status box.
5. You may enter a person, estate, organization or trust as a beneficiary. Depending on which you choose, you will be asked to provide additional information.
6. Click the “Save All” button in the Review and save your choices section.
7. Your beneficiary designations will become effective as soon as you complete the online designation process.
