# Changing Dividends and Capital Gains Distributions—A quick-start guide

Any dividends you receive because of owning company stock are deposited into your Fidelity Account® as cash by default. You can update this option and reinvest the dividends to purchase more shares of company stock.<sup>1</sup> **Follow these easy steps.**

### 1 Go to [Fidelity.com](https://www.fidelity.com)

Log in to your **individual** account.

### 2 Select Account Features from the Accounts & Trade tab

### 3 Pick Dividends and Capital Gains under Brokerage & Trading

### 4 Change your preference

Click **Update** for the specific security you wish to change.

### 5 Choose Reinvest in Security or Deposit to Core Account

You can apply the change to all similar stock plans or to future purchases, transfers, and deposits. Click **Update** to finish.

### Did you know?

#### Reinvest in Security:

Any dividend or capital gain paid will be used to purchase additional stock.

#### Deposit to Core Account:

Any dividend received will be deposited into your brokerage account as cash.
